

COLLEGE OF DENTURISTS OF ONTARIO

February 21, 2012

Dear Members,

Re: Interim Registrar

I am pleased to provide an update of some of the most recent developments that have taken place at the College of Denturists of Ontario (the "College").

The Executive has appointed an interim Registrar, David Hodgson, who has currently commenced his work at the College. Mr. Hodgson is the former Registrar for the College of Audiologists and Speech Pathologists where he held the position for 10 years. Discussions are taking place with a recruitment company to engage a permanent Registrar within a timely manner.

Deborah Worrada will continue to be retained as a consultant for 3-6 months to work with Mr. Hodgson and continue to offer her expertise in regulatory affairs and best practices.

We will continue to take strides to improve our commitment to protect the public and regulate the profession.

Yours truly,

J. Gus Koroneos, B.Sc., DD

President

College of Denturists of Ontario
