Announcement from Hanno Weinberger, President

It is with mixed emotion that I announce that the College's Registrar Abena Buahene has tendered her resignation effective August 21, 2015. Ms. Buahene has been offered the unique opportunity to be the chief executive of a newly established not-for-profit corporation. Over the past two years, Abena has worked closely with Council, committees and staff to continue to improve on and strengthen the College's processes, procedures, and policies to support our regulatory mandate. We thank her for her invaluable contribution to the College as our Registrar and we wish her all the best in her future endeavours.

Mary Kennedy, the College's Director of Regulatory Programs has been appointed Acting Registrar effective Saturday, August 22, 2015. Ms. Kennedy has worked in health care regulation since 2007 in various capacities, most notably at the College of Nurses of Ontario and the College of Homeopaths of Ontario.

The College Council will embark on a search for a new Registrar in the coming weeks and the position details will be posted on the College's website.
