

COLLEGE OF DENTURISTS OF ONTARIO

Call for Item Writers for the College of Denturists of Ontario (CDO) Written Qualifying Exam

January 7, 2013

Dear Members:

The CDO is seeking individuals who would be interested in contributing their time, skills and experience in developing test items to be used in the Multiple-choice Qualifying Examination administered by the College to entry-to-practice candidates. Participation would involve attending a one day workshop, scheduled for **January 25, 2013**, which would review and give an opportunity to practice sound item construction principles along with a two day workshop, scheduled for **March 3 and March 4, 2013**, where all items written by the group would undergo refinement to ensure accuracy and relevancy to practice. The workshops will take place at the CDO in Toronto.

In order to be considered as a potential item writer, participants must have 5 years of practice experience and must be currently engaged in professional practice. Basic computer skills and comfort with using the internet will be required.

Participants engaged in item writing activities have frequently reported that the work in developing new items is professionally rewarding and the opportunity to develop a network of peers engaged in contributing back to the profession particularly valuable.

If you are interested in participating in this important activity, please contact Aslan Stohr by e-mail at astohr@denturists-cdo.com or by calling him directly at (416) 925-6331, extension 225, no later than **January 18, 2013**.

Thank you,

Deanna Williams
Supervisor
College of Denturists of Ontario
