# Public and Stakeholder Consultation

## Proposed By-law Amendment: Fees for new Emergency Class of Registration

At its September 29, 2023, meeting, the CDO Council approved for 60-day public and stakeholder consultation a set of registration fees related to the new Emergency Class of Registration that is in effect as of August 31, 2023, for all health regulators.

Council also took the opportunity to update the set of fees for the (not-yet-approved) Inactive Class of Registration, in future anticipation of this class of registration. The CDO submitted a proposal to create this class of registration to the Ministry in 2021 and most recently again in 2023.
