## Quality Assurance Peer & Practice Assessments Call for Peer Assessors

January 14, 2019

Dear Member;

The College is currently seeking members of the profession to serve as Peer Assessors for the Peer and Practice Assessment component of the Quality Assurance Program.

The Quality Assurance Program is integral to the College's mandate and is designed to assist members with:

- The provision of quality service and care;
- Engaging in practice according to current practice standards and guidelines; and
- Continuous improvement of their skills, knowledge and judgement.

One of the components of the Quality Assurance Program is the Peer & Practice Assessment. The Peer & Practice Assessment provides for peer-to-peer interaction around standards of care and practice and is an essential component of professional self-regulation ([Peer Assessment Components & Assessor Commitments](#)).

The College is currently seeking members of the profession who are interested in participating in this program as an assessor. Peer Assessors normally carry out 5-10 assessments each year. Each assessment takes approximately 2-3 hours. Assessors receive a per diem for meeting attendance and assessments as well as reimbursement for expenses.

If you are interested in becoming a Peer Assessor, please review the [eligibility requirements](#). If you meet the eligibility requirements, you may submit a completed [application form](#) to Jennifer Slabodkin, Manager, Registration, Quality Assurance & Policy ([jslabodkin@denturists-cdo.com](mailto:jslabodkin@denturists-cdo.com)). If you require further information, please feel free to get in touch with Jennifer.

Individuals who submit an application and meet the eligibility criteria will be contacted to arrange a time for an interview with staff and a panel of the Quality Assurance Committee.

This is a great opportunity for you to be involved in the work of the College! We hope you will sign up!
