

COLLEGE OF  
DENTURISTS  
OF ONTARIO

## Council Elects New President

On June 14, 2019, Council elected Mr. Hanno Weinberger as its President for 2019 – 2020. This is Mr. Weinberger's second tour as President of the College. He previously served as President from 2015 – 2017. The election of a public member of Council to the position of President conveys the College's commitment to the public interest mandate of the College.

Hanno Weinberger retired from a 34-year career as an elementary school teacher with the Halton District School Board, spending his last 14 years of teaching in the kindergarten classroom. At the local and provincial level, he has been a member of various committees whose primary focus has been on issues of diversity, ability and equity. Prior to being appointed to the College of Denturists of Ontario, Mr. Weinberger completed two terms as a member of the Governing Council of the Ontario College of Teachers. While a member of the College Council and many of the College Committees, Mr. Weinberger has also engaged with other regulatory bodies in some of their statutory processes. Mr.

Weinberger holds a Bachelors degree in Social Work from McMaster University and a Bachelors degree in Education from Hamilton Teachers' College.

The College is very pleased to have Mr. Weinberger as Council President for the coming year and looks forward to a continued, productive collaboration.
