Member Consultation

Updating the Fee Schedule for the 2025-2026 Annual Renewal

At its September 6, 2024, meeting, the College Council approved for 60-day member consultation a set of updated registration fees in advance of the 2025-2026 Annual Renewal period.

The College is proposing to update the By-Laws to reflect an annual renewal fee of \$1700.00 from the currently published \$1900.00 rate, in an effort to better reflect the modified renewal fee over the past two years. The proposed update is not a permanent reduction of the annual renewal fee, as Council has the fiduciary duty to set an appropriate renewal fee based on the operational needs of the College and will review it once again next year.

The College is also proposing an updated set of fees for the (not-yet-approved) Inactive Class of Registration, in future anticipation of this class of registration.

Click [here](#) for background information regarding this consultation and the rationale behind updating the by-laws.

You can submit your feedback and comments by emailing: registration@denturists-cdo.com

The consultation period will be open from today, September 13, 2024, until the end of day on Tuesday, November 12, 2024.

Separate Draft Registration Regulation Consultation

As a reminder, the College is also conducting a separate 60-day consultation on its proposed draft Registration Regulation. You can view the consultation materials [here](#).
