

New Professional Misconduct Reg August Webinar Dates Announced

As of July 1, 2024, the College's latest Professional Misconduct Regulation is in effect. Some of these changes may have an impact on how you practice. The College is hosting three live webinar sessions to brief you on the most significant changes including:

- Changes to the Clinic Naming process
- New advertising provisions
- New contextual factors when discontinuing treatment

On-demand recordings of the presentations will be available within one month of the last presentation, in the [Member Portal](#).

We recommend you review the changes to the [Professional Misconduct Regulation](#) prior to the session to help you prepare for the webinar.

This special live webinar will be presented by Cathi Mietkiewicz, founder and principal lawyer at Mietkiewicz Law. She regularly advises regulators, associations, commercial businesses, and not-for-profits on issues ranging from board governance, contracts, privacy, regulatory compliance and developing regulations. She also routinely hosts educational programs related to Professionalism & Ethics and Record Keeping as remedial activities ordered by the College's complaints and discipline committees.

Group of Denturists attending Webinar at one Computer

If you would like to attend the webinar as a group, please note the following:

- **Make sure only one person registers for and logs into the webinar for the entire group.**
- Each person from the group should email qualityassurance@denturists-cdo.com to identify that they will be attending the webinar and note the name of the member who has registered. This will ensure that we have an accurate list of attendees should we wish to follow up with you.

HOW TO LOG IN:

- Once you have registered for the webinar, you will receive a confirmation email from Zoom. This email contains a URL link that will allow you to login to view the webinar on that date.
- Any login issues can be directed to Tera Goldblatt at 416-925-6331 ext. 223.
- You will be able to login starting 10 minutes prior to the start time. We recommend logging in early in case you have any technical issues that need to be resolved.

EQUIPMENT REQUIRED:

1. A computer or mobile device connected to the internet. You may join the webinar using the Zoom web client in a web browser without downloading any plugins or software; however, you may wish to have the Zoom app pre-installed for convenience.
2. Audio capabilities (see below)

AUDIO:

You have two options for the audio component of the webinar:

1. You can listen through your computer; this is most successful when you have headphones.

OR

2. At the time that you login to the webinar, call the teleconference number that is provided to you with the registration details in the confirmation email you receive from Zoom. If you choose this option, please mute the speakers on your computer so that there is no audio feedback.
