# President's Announcement

## Registrar & CEO

Ms. Kris Bailey, President of the Council of the College of Denturists of Ontario, wishes to announce that Dr. Glenn Pettifer, the College's Registrar & CEO will resign from his position effective January 3, 2022.

Dr. Pettifer joined the CDO in December 2015 and over the next six years lead the College in the creation and execution of its 2017-2020 Strategic Plan. The initiatives under this plan included: an expanded Quality Assurance Program, enhanced Stakeholder engagement, strengthened relationships with educational institutions, revision of the profession's National Competency Profile, establishment of the Canadian Alliance of Regulators of Denturism, creation of a multi-jurisdictional component of the College's Qualifying Examination, streamlined Registration processes, a library of current College Standards of Practice, and a steady yet nimble response to the unique demands placed on the College and the profession as a result of the COVID-19 pandemic.

The Council thanks Dr. Pettifer for his contributions to the work of the College and wishes him well in his future endeavours.

An announcement regarding the College's process for filling this vacancy will be made available in the near future.
