Request for Personal Protective Equipment Donations

April 8, 2020

You may have or have access to personal protective equipment (PPE) such as surgical/procedure masks, N95 masks, gloves, gowns and eye protection that you are able to spare. If you can spare some, please consider one of the following:

For **Large Quantities**, the Ontario government has set up a [website](#) where you can disclose the resources you have available. For **Smaller Quantities**: You can contact the OMA (Ontario Medical Association) directly if you have smaller quantities for donation. We are passing along this request in order help transfer resources locally to frontline healthcare providers.

Please contact christine.poopalapillai@oma.org with the following information:

- Name
- Clinic Location (please include postal code)
- Phone & Email
- Type and Quantity of Available Supplies

If you live or practise in a smaller community and have PPE that you can donate, you may want to contact your local hospital or Public Health Unit to inquire about their need for PPE.

Questions?

If you have any questions, please contact:

Jennifer Slabodkin at 416-925-6331 ext. 224 or jslabodkin@denturists-cdo.com

Roderick Tom-Ying at 416-925-6331 ext. 227 or rtom-ying@denturists-cdo.com

College of Denturists of Ontario, 365 Bloor Street East, Suite 1606, Toronto, ON M4W 3L4
