#### **Group of Denturists attending Webinar at one Computer**

If you would like to attend the webinar as a group, please note the following:

- **Make sure only one person registers for, and logs into, the webinar for the entire group.**
- Each person from the group should email Jennifer Slabodkin at [jslabodkin@denturists-cdo.com](mailto:jslabodkin@denturists-cdo.com) to identify that he or she will be attending the webinar and note the name of the member who has registered. This will ensure that we have an accurate list of attendees should we wish to follow up with you.

#### **HOW TO LOG IN:**

- Once you have registered for the webinar, you will receive a confirmation email from Adobe Connect. This email contains a URL link that will allow you to login to view the webinar on that date.
- You will need your email and password information to sign-in, this is the same information you provide when you register for the webinar.
- Any login issues can be directed to Jennifer Slabodkin at 416-925-6331 ext. 224.
- You will be able to login starting 15 minutes prior to the start time. We recommend logging in early in case you have any technical issues that need to be resolved.

#### **EQUIPMENT REQUIRED:**

1. A computer connected to the internet. You do not have to download any software in order to participate in this webinar.
2. Audio capabilities (see below)

#### **AUDIO:**

You have two options for the audio component of the webinar:

1. You can listen through your computer; this is most successful when you have earphones. This is not recommended for groups because of the sound quality.

#### **OR**

2. At the time that you login to the webinar, call the teleconference number that is provided to you with the registration details above or in the confirmation email you receive from Adobe. If you choose this option, please mute the speakers on your computer so that there is no audio feedback.
