

# OSCE Blueprint

The content of the Canadian denturist multijurisdictional registration examination aligns with the [National Competency Profile for Denturists \(2020\)](#) and the nationwide survey of denturists shortly after. The survey provided weightings of importance to each of the six core competencies. Candidates are encouraged to review the National Competency Profile and the breakdown of each category. In addition, the global rating scale is applied.

This blueprint is effective for the June 2025 administration of the multijurisdictional exam objective structured clinical examination (OSCE) component.

**NOTE:** For candidates writing in Ontario, this blueprint is effective for the February 2026 administration onwards of the multijurisdictional exam OSCE component.

## BLUEPRINT

The Objective Structured Clinical Examination (OSCE) component of the multijurisdictional registration exam reflects those competencies in content and importance, and are as follows:

Objective Structured Clinical Examination (OSCE) - 12 stations	
Competency Area	# of Stations
Jurisprudence, Ethics, and Professional Responsibilities	1
Patient-Centred Clinical Practice	6
Records Management	N/A <sup>1</sup>
Laboratory Procedures	4
Business Management	1
TOTAL	12

## GLOBAL RATING SCALE

In all interactions of an exam candidate during the OSCE, the global rating scale is applied.

This scale refers to your overall performance and includes:

-  empathy
-  coherence
-  verbal communication non-
-  verbal communication overall
-  knowledge and skill

<sup>1</sup> Records Management is assessed on the multiple-choice component of the examination
