# National Day for Truth and Reconciliation

September 30, 2022

The College of Denturists of Ontario supports the National Day for Truth and Reconciliation as an opportunity to recognize and commemorate the tragic history and ongoing legacy of residential schools, and to honour their survivors, their families, and communities. This National Day for Truth and Reconciliation provides an opportunity for individuals and organizations to undertake individual approaches that signal recognition, commemoration, and commitment to the Truth and Reconciliation process.

The College strongly supports Registered Denturists and all individual and organizational stakeholders in availing themselves of this opportunity. On this day, rather than an office closure, College staff will engage in a joint educational activity hosted by experienced facilitators. The activity will deepen our knowledge of the history of indigenous peoples in Canada through colonization to present times. Specific topics will include Indian Residential Schools, the Sixties Scoop, Missing and Murdered Indigenous Women and Girls, and other instances of colonial violence and policies that have negatively impacted Indigenous peoples.

Yours sincerely,

Roderick Tom-Ying  
Acting Registrar & CEO
