# Registrar's Announcement

## Council Election Results – Districts 1 & 2

Dear Registered Denturists and Stakeholders,

I am pleased to announce the 2022 Election results for the College of Denturists of Ontario.

### District 1 – Adam-Christian Mazzuca – Acclaimed

Adam Christian Mazzuca, DD, graduated from George Brown College in 2014 on the Dean's List.

He moved to southwestern Ontario and has been a practicing Denturist in Windsor Essex County for the past 7 years.

He has volunteered in College and Association roles in the past.

[Mr. Mazzuca beings a three-year term on June 17, 2022.](#)

### District 2 – Norbert Gieger, Denturist – Acclaimed

Born and raised in Port Colborne, Norbert has resided and practiced there for over 40 years, as sole owner of Norbert Gieger Denture Clinic. After completing his education and graduating in the first class of Denturists (Denture Therapists) in 1978, it was evident he would return home to serve his community. This service driven attitude was cultivated early, and the Dental profession was a natural fit, as he grew up in a Dental Laboratory setting which was owned and operated by his father. Upon opening his main office, he also had a second office in Ridgeway until 2019, serving that community and beyond.

His interest in the advancement of the profession has accelerated proportionately as his involvement with the College has increased. He has served and been involved with the College in various capacities beginning with the transition from a hands-on College Exam, as an Examiner, to the current OSCE format as an Assessor. He was on the original team of Denturists who wrote and

developed the various OSCE stations and has contributed in this manner over the years. He also served as a non-Council member of the ICRC (Inquiries, Complaints & Reports Committee) for seven years, work he found very interesting and fulfilling, serving the public in a different capacity. He currently sits on the Executive, Patient Relations, Discipline, and Qualifying Examination Appeals Committees, and serves as Chair of the Fitness to Practise Committee.

His other involvement is broad reaching and always with a passion for improving the quality of life of his community, businesses, and residents. He currently serves on the BIA, the City Environmental Committee, and Save the Lighthouse Committee. He is also active in his church and sits on its Council.

**Mr. Gieger begins his second three-year term on June 17, 2022.**

On behalf of the College, I would like to thank these individuals for their willingness to stand for election to Council. The work of Council is central to the mandate of the College and the willing participation demonstrated by those who stand for election is an essential part of professional self-regulation.

Best regards,

Roderick Tom-Ying  
Acting Registrar & CEO
