

COLLEGE OF
DENTURISTS
OF ONTARIO

Council Elects New President

On May 1, 2020, Council elected by acclamation Ms. Kris Bailey as its President for May 1 to June 12, 2020. The election of a public member of Council to the position of President conveys the College's commitment to the public interest mandate of the College.

Ms. Bailey brings a wealth of experience in the healthcare sector and governance sectors. She is the owner and president of AiCon Inc., a private company that provides medical diagnostics operational reviews, project management services, strategic planning and management advice, both nationally and internationally. Kris also served as CEO for In-Common Laboratories, doing all of those things that CEO's do: governance engagement, strategic planning, operational planning, and financial management. Kris has served as a Board Director and Board Chair at Grand River Hospital and also as a Director and Chair of the Governance Committee of the Waterloo-Wellington Community Care Access Centre.

The College is very pleased to have Ms. Bailey as Council President and looks forward to a continued, productive collaboration.
