## Certificate of Registration Renewal and Fee Reduction

Dear Members & Stakeholders,

The annual renewal period for Certificates of Registration and Certificates of Authorization of Health Profession Corporations opens this coming Monday, March 1, 2021.

While the COVID-19 Pandemic continues, the financial position of all Registered Denturists continues to be impacted. Consequently, the College is reducing the fee for renewal of Certificates of Registration by 50% again this year. The fee for renewal this year will be \$950 plus HST. Members will be able to pay the fee in two instalments: \$475 + HST by April 14, 2021 and the other \$475 + HST by September 30, 2021.

The fee for renewal of Certificates of Authorization for Health Profession Corporations remains unchanged.

Continuing Professional Development requirements and reporting remain unchanged.

Members will receive another email on Monday from the College that will provide all the details regarding the renewal process.

Best wishes as we move through these challenging times.

Sincerely,

Dr. Glenn Pettifer  
Registrar and CEO
